

An Invitation
from
The Devon Kabbalah Group

Please join us for a new series of one day
KABBALAH MEETINGS
starting on

SATURDAY 11th MARCH 2006

9.30am to 5.30pm

We will be meeting in a beautiful venue on the Moors near Manaton.
Further days will follow on 13th May, 8th July, 9th September & 18th November.

In our previous days we explored an overview of the Kabbalistic teaching
on the four worlds (of the body, psyche, spirit and the Divine).
This year we will be forming a School of the Soul in which to explore the nature of the
soul through teachings known as the Five Gardens of Kabbalah.

Our emphasis will be on integrating spiritual principles into daily life and this year we
will give particular attention to developing our experience of meditation
and other aspects of spiritual practice.

Suitable for beginners and those with previous experience – only honesty, a sense of
humour and a longing for deeper meaning and purpose are required!

Cost is on a donation basis with a suggested minimum of £35 (for those able to commit
to the whole year) and £40 (for those wanting to take a step at a time). If you are able
to give more it will help fund someone who can only afford less. If you are genuinely
interested and yet really unable to contribute much financially
then you are still very welcome, so do get in touch.
