

Introduction to Kabbalah A Path of Awakening

**Friday 9 November 2018 10am-4.30pm,
Baldock - Hertfordshire**

With Kurt Browne and Ali Wooding

Come and join us for an introductory experience in this mystical tradition and an opportunity to discover more about what it means to undertake a journey of Self-realisation. Using the Tree of Life and Jacob's Ladder we shall examine the universal principles underlying life.

There will be some teaching input, guided meditation and simple ritual, as well as time to reflect and ask questions. This workshop provides an opportunity to contemplate our subtle interior life and its deeper meaning and purpose within creation.

Kurt Browne has studied in the Toledano Tradition School of the Soul, founded by Z'ev ben Shimon Halevi (Warren Kenton), since the early 1970's. He has run Kabbalah groups and led courses on the tradition with his wife, Joanna, in Europe, Africa, the USA, Mexico, the Caribbean and Japan.

Ali Wooding has been a student of Warren Kenton and also Kurt and Joanna in the Toledano lineage. A co-tutor of the Hertford group for 7 years, Ali brings expertise in systemic constellations and psycho-spiritual practices from different wisdom traditions to groups, workshops and 1-to-1 work.
