PATH OF INTEGRATION

SWEDEN COURSE
A workshop with KURT BROWNE and JOANNA LAPAGE-BROWNE

NOVEMBER 9TH AND 10TH 2013

The diagrams of the Tree of Life and Jacob’s ladder speak to us as they hang on our walls, or instruct us from the pages of books, making the teaching clear.

It is then our work to embody the Tree within our being, living and observing the principles daily – to make it real.

During the two days we will work with contemplation, guided imagery, meditation and ritual so as to experience the living tradition.
