

Kabbalah and our Heart – 29th July 2023

In this workshop we will look at the Kabbalistic tradition and our Heart. With the Tree of Compassion we work on our experience of Energy and Structure, its connection to the Way of Devotion, the development of Compassion and their relationship to the Tree of Life. Different exercises and meditations will be used to research this path developing the experience of the flow of grace from above and how it comes out in the world.
